

# Here's What's Happening in Your Neighborhood

December 2020

Six transportation projects are built or underway in the Commercial area.

## Tualatin-Sherwood Rd: Martinazzi Ave to I-5

This key project tackles Tualatin's busiest intersection: the junction of Tualatin-Sherwood Rd and I-5, near Fred Meyer. Computer modeling led to a design that reduces commute time and saves money. Instead of reconfiguring the intersection, the project will restripe the existing lanes and adjust the signage, while extending the third eastbound lane to the east. This will better balance traffic across all lanes. The time savings experienced by every resident and business between Boones Ferry and I-5 will be:

Reconfiguring the Tualatin-Sherwood Rd interchange begins in 2021

**Morning rush hour** ✓ **Reduced** from 6.5 minutes to 4 minutes  
**Afternoon rush hour** ✓ **Reduced** from 8 minutes to 6 minutes
