

Boones Ferry Rd at The Commons

Project Description:

This project will enhance the safety of an existing crosswalk between Tualatin Lake at The Commons and Community Park. Improvements include adding a pedestrian-activated flashing beacon to the existing crosswalk and replacing curb ramps on both sides of the street. To improve visibility, the project may include trimming tree branches that block streetlights, and working with PGE to explore options for upgrading light fixtures.

Project Schedule:

Planning and Outreach: January - February 2021

Design: February - April 2021

Construction: Summer 2021

This project addresses

Neighborhood Safety

- ✓ People driving will be much more likely to stop for people crossing the street
- ✓ Enhances safety for pedestrians
