

65th Ave: near Meridian Park Hospital

Project Description:

This project will improve pedestrian safety and access by adding a new midblock crosswalk with pedestrian activated flashing beacon to connect the sidewalk on the west side of 65th Avenue with the hospital on the east side. The new crosswalk will provide a safe place to cross the street in between the signalized intersections and be located to coordinate with the TriMet bus stops.

This project addresses

Neighborhood Safety

- ✓ Signalized Crossing
- ✓ Universal Accessibility

Project Schedule:

Planning and Outreach: February - April 2021

Design: February - April 2021

Construction: Summer 2022
